

Community Credit Union's 2010 **Ho**liday Giving Events

CLEARER. SMARTER. BRIGHTER. BETTER.

Help us help your community!

Small Change Can Make a Difference Campaign - now thru 12/4/10

CCU is helping **Florida Today's Reaching Out Holiday Fund** by making charitable giving a family affair! Santa's little helpers can help someone in need by collecting spare change and donating it. The fund will be used to purchase new toys and books for children, newborn to 15 years old, and will be distributed countywide to the parents of underprivileged children who may not be able to afford a gift for their children this holiday season. **Let's see how much our kids can raise by bringing the coins in on December 4th during CCU's Holiday Marketplace.** If you can't attend, bring the coins in anytime between now and December 4th to any of our seven convenient branch locations.

CCU Holiday Marketplace - on 12/4/10 - 9 a.m. to noon

CCU understands there is a recession and to help our small business men and women, we are encouraging you to **Buy Brevard**. On Saturday, December 4th, CCU business members will participate in our first ever **CCU Holiday Marketplace** introducing their products and services to all our members. A parking spot will be provided for each business to display their items for sale. Stop by to see if you can do a little holiday shopping and get some great deals from our business members. Plus, we'll have over \$500 in prizes to give away. If you have a CCU business account and wish to participate, call 321-637-3153 for more information.

Operation Shoebox for our Troops - now thru 12/7/10

Support our men and women who are away from their families during the holidays fighting for our freedom. CCU is collecting food and personal care items at all its branches to send to troops deployed outside of the United States. **Operation Shoebox** is one small way to thank the military for serving overseas this holiday season. The response we get from the "boots on the ground" is that receiving mail and goodies from home is a huge morale booster, especially when they can't be with their loved ones! Make a difference in the lives of our troops. **Donations accepted at all CCU Branches until December 7th.**

Elves for the Elders - now thru 12/10/10

Aging Solutions, Inc. is a non-profit organization that works for the Office of the Public Guardian for Brevard County, managing 84 elder cases for the 18th Circuit Court. The **Elves for the Elders** program is a gift drive created to ensure our most vulnerable citizens will be remembered during the holidays. A holiday giving tree will be set up at our Rockledge Branch with items specific to the needs of each individual. Anyone may choose a tag and purchase the items from the wish list. Please help those who have been deemed a ward of the state and cannot care for themselves. Donations must be received by December 10th.
