Skip a Payment Terms & Conditions**

There is a \$15.00 fee to take advantage of a skip-a-payment. Interest will continue to accrue on your loan during the month that you skip your payment. Your monthly payment will be due at the next billing cycle. The Skip-A-Payment coupon does not change your current loan payment amount, but it does extend the term of your loan by one month. By skipping a payment, the maturity or final payment date as disclosed on the note, truth in lending disclosure, and/or security agreement will be extended beyond the date originally disclosed. You consent on behalf of any co-signer or joint borrower on the loan to the skip-a-payment. If you have GAP Protection, any amount of the loan that is skipped may not be covered under the GAP Protection Agreement.

By clicking continue, you agree to the terms and conditions listed above. Once your skip a payment is submitted, it cannot be cancelled.
